## ***Corporate Challenge 2010***

**June 7-25, 2010**

*Help us reach the Fundraising Goal of \$200,000 and frame our first homes for 2010.*

- **HOW?**

Just send one team of employees for a 4 hour shift at the construction site. Teams can have as few as 5 or as many as 30 workers. If the company cannot provide full sponsorship, the employees themselves can join the effort, by filling out a donor pledge sheet.

- Seek pledges of at least \$180 per volunteer builder – all funds buy building materials-your hard work frames the houses!
- Pick a day: Monday thru Saturday  
Pick a shift: 4 hour shifts – morning or afternoon
